I have faith enough to live
Now my wealth is here
I can love and freely give
Now my wealth is here

Every need is now fulfilling
For my heart is pure and willing
And my mind is firm and stilling
Now my wealth is here

I must speak the faithful word
Now my wealth is here
I will let my voice be heard
Now my wealth is here

I receive what I am needing
All my thoughts to truth are leading
And my good to me is speeding
Now my wealth is here
