

Consistent

Prosperity Poem 106

Each day will blessings flow your way
From your sure and consistent pace
Like the story told of a speedy hare
And the tortoise who won the race

Your dreams need daily attention
Which draws them to your embrace
So trade your fitful stops and starts
For that steady, consistent pace

Yes, quick and powerful actions -
At times they may have their place
But more success is gained by far
From a stable consistent pace

So when you plan your daily life
Save some focused time and space
For the daily thoughts and actions
That keep your consistent pace
