

# *Back to You*

Prosperity Poem 109

If you send out love and mercy  
And do the best you know to do  
You'll find the mercy and the love  
Quickly flows right back to you

It may begin right in your heart  
Your intentions - firm and true  
And then you send that energy  
Which reciprocates back to you

If you send out "hating" energy  
Making others fret and stew  
Know that those same vibrations  
Will someday come back to you

Choose your thoughts most carefully  
Once sent - they may pass from view  
But through the universal law  
They'll cycle round back to you
