

One Year From Now

One year from now, where will you be?
Will you choose? Or just wait and see?

Choose to act - create some changes
From small steps, life rearranges

One year from now, will life be great?
Will you take actions that elevate?

Read new books and learn handy skills?
Or just cruise along to pay the bills?

One year from now, you'll be the same
Unless you act to increase your game

Think new ideas - meet some new friends
Better thoughts lead to better ends
