Prosperity Poem 114

Joy in your life  
Does not follow wealth  
Or fame  
Or even ambition

Joy in your life  
Follows purpose and meaning  
Friends and family  
Incremental progress

When you feel disconnected  
From Joy in your life  
Reach out to another  
And connect again

Connect with laughter  
Connect with play  
Connect with gratitude  
Connect with focus  
Connect with service  
Connect with forgiveness

These will light the fire  
For joy in your life  
And joy will remain  
Your constant companion
