

I Know This Truth

Prosperity Poem 14

[Go here to see this poem on a beautiful background](#)

I know this truth, that I am free
To choose my thoughts, and what I'll be
I now commit to aim my mind
To help myself and humankind

I know this truth, that if I start
And act with all my mind and heart
Include my faith and hope and strength
I know my wealth will come at length

I know this truth, faith conquers doubt
I'll learn and grow and figure out
All thoughts and tasks required of me
To build wealth and prosperity
