

When You Have Intent

Prosperity Poem 17

[Go here to see this poem on a beautiful background](#)

You can call it many things
When you have intent
Yet your wealth it truly brings
When you have intent

It's the path you are pursuing
And the duties you are doing
Plus the vision you are viewing
When you have intent

It's the end you're aiming for
When you have intent
And you open many doors
When you have intent

It's the power you're providing
And the goals to which you're gliding
Your own destiny deciding
When you have intent
