

The Guiding Light

Prosperity Poem 19

[Go here to see this poem on a beautiful background](#)

Truth and wisdom embrace the light
And strengthen you anew
For despite the waters raging
The light will guide you through

Allow the light to guide your way
Through any doubts and fears
Allow the light to magnify
Your friends, and wealth, and years

The light will be your confidence
Your hope of brighter days
And let your higher guiding light
Reveal abundant ways

All wealth is made of energy
And energy is light
And light is pure intelligence
To guide you through the night
