

I Have The Victory

Prosperity Poem 33

I'll use my mind with focus today
Pick all my thoughts, and not let them stray
My life is worth this - I have a will
My purpose I'll fulfill

See the vision - act with pure intent
I decide on how my time is spent
Using my strengths - it's easy to see
I have the victory

I'll keep my eyes intent on my aim
Building with spirit, my wealth I'll claim
Happily working - my mind expands
Serving with heart and hands

See the vision - act with pure intent
I decide on how my time is spent
Using my strengths - it's easy to see
I have the victory
