

Rolling Waters

Prosperity Poem 42

[Go here to see this poem on a beautiful background](#)

The very rain that falls today
And waters deep rich earth
Shall fall on other nations hence
Again to prove it's worth

We fill our needs, then let it flow
To cycle round once more
Again to nourish living things
Though it's been used before

All wealth is cycled much the same
So use wealth day by day
Eternal are the elements
And they'll flow back your way

Invest where wealth is put to use
Keep it fresh and flowing
Rolling waters stay pure and clean
Trust in life's bestowing
