

Uniquely You

Prosperity Poem 46

Time flies on wings of lightning
When you love the things you do
So when you give to others
Give what is uniquely "YOU"

Your tasks will flow more sweetly
When you're working from your heart
When following your passions
And you're eager just to start

Each day do what is needed
But try to spend more time
Each day on using talents
And your wealth will start to climb

Increase your skills and learning
Every day learn something new
And let your path be guided
By what is uniquely "YOU"
