

Today

Prosperity Poem 47

Let today shine bright
Choose my attitude this hour
Every thought I think
Spreads and ripples on with power
All the seeds I plant
Will in time bear fruit and flower
Today let my light shine bright

Choose well, for today I lose or win
Stand firm in the way that I begin
Stay bold, when others say to wait
Act today, before it grows too late

My success is sure
When I'm focused on today
And the prize I'll gain
Helping others on the way
And my wealth will grow
When I confidently say
Today let my light shine bright

Choose well, for today I lose or win
Stand firm in the way that I begin
Stay bold, when others say to wait
Act today, before it grows too late
