Prosperity Poem 4

As I have purposed, so shall it stand  
My thought is the power with which I command  
As I have thought, so shall it be  
Thus using the agency given to me

All spirit is matter, be it ever so fine  
To be shaped as I will, with my freedom divine  
I may be a novice, but practice brings skill  
In shaping of matter with power and will

I reclaim my gift, that was given at first  
Back eons ago, when in glory immersed  
And with this my gift, I great wealth create  
So come join with me, for our blessings await
