

All Around Me

Prosperity Poem 57

[Go here to see this poem on a beautiful background](#)

Open my eyes - the truth to see
The plenty and prosperity
Opportunities at my door
All around me - each day more

Open my heart - success is here
Love and faith will conquer fear
My body fills with greater light
All around me - day and night

Open my mind - ideas expand
Energy flows at my command
Creativity flows and streams
All around me - are my dreams

Open my spirit - set me free
And let me see eternity
Perceive the purpose in all things
All around me - my hope springs
