

Solutions

Prosperity Poem 67

Wealthy people have a knack
Of making contributions
They don't let trials get them down
But focus on solutions

So don't let anger conquer you
Or seek out retribution
But seek to take the higher road
And offer a solution

Of several ways to undertake
A problem's diminution
The best by far is simply choose
A mindset of solution

So cultivate this daily choice
There are no substitutions
To making it your daily goal
To seek out good solutions
