

Prosperity is...

Prosperity Poem 68

Prosperity is a silent snowfall
On a winter night
Building slowly flake by flake
And the whole world
In the morning
Is a white carpeted wonderland

Prosperity is patient growth

Prosperity is a mighty glacier
Moving imperceptibly
Year by year
Carving through solid rock
And easily clearing
Any obstacles in its path

Prosperity is power

Prosperity is a mountain range
Packed with winter snow
Delivering water week by week
To the valleys below
With vibrant rivers and streams
Bringing nourishment
Month by month

Prosperity is giving
