

A Man Named Wealth

Prosperity Poem 73

I asked about a man named Wealth
Who lives nearby - just up the street
I asked his nearest neighbors
About Wealth, and when I could meet

The neighbor on the left replied
That Wealth was not a friendly guy
And since this was the certain case
To help us meet - he wouldn't try

And then the neighbor on the right
Said "Wealth's a super friendly man"
"Easy to talk to - fun to see"
Could we meet? "We surely can"

Both neighbors quick to answer
But with such different views
It left me puzzled right at first
But soon I knew which view I'd use

So Wealth and I remain good friends
I'm happy that I know him well
Get to know this man called Wealth
Enjoy his home and with him dwell
