

My Grateful Heart

Prosperity Poem 7

I now express my grateful heart
To start this outward flow
I send this thankful energy
To wherever it needs to go

For the law of reciprocity
Says that "in" must equal "out"
So my wealth that's flowing in to me
Equals my gratitude, or thereabout

I love this law for it gives me power
To choose how much I get
I just increase my grateful heart
And the universe is in my debt
